Re: Ms. Coleen Kelly

To Whom It May Concern:

On January 17, 2009, Ms. Colleen Kelly was one of our primary speakers at the USEF Youth Council's 2<sup>nd</sup> Annual Convention in Cincinnati, OH. Junior Exhibitors and Young Riders from across the United States were in attendance. This group was widely represented by grass roots level riders to those already excelling in high performance. This engaging speaker related to them all; each had the opportunity to come away with suggestions on how to develop and enhance their riding skills based on seat, posture and balance. This presentation on biomechanics applied to all of equestrian sport regardless of breed and discipline and was enjoyed by all participants.
